GENERAL CONDITIONS (applicable to the whole insurance)

Fraudulent Claims

If the Insured Person, or anyone acting on his behalf, makes a claim knowing it to be false or fraudulent in amount or in any other respect, the insurance will become invalid in respect of that Insured Person. This means the Underwriters will not pay the false or fraudulent claim, or any subsequent claim, in respect of that Insured Person but can retain any premium paid.

Cancellation Of This Insurance

The Insured Person can cancel this Insurance from inception and receive a full refund of premium and tax if the Certificate and Schedule is returned to Westfield Sub Aqua & Marine Insurance Services Limited within 14 days of receipt.

After this time, the Insured Person may cancel this Insurance by returning this Certificate to Westfield Sub Aqua & Marine Insurance Services Limited, The Insurance will then be cancelled on the basis of a pro-rata return of premium provided there is no claim paid or outstanding, in which case no refund will be offered.

Information Given To The Underwriters

In deciding to accept this Insurance and in setting the terms and premium, the Underwriters have relied on information given by the Insured Person. The Insured Person must ensure that all information provided is accurate and complete.

If it is established that the Insured Person deliberately or recklessly provided false or misleading information, the Underwriters will treat the Insurance as if it never existed, decline all claims and retain any premium paid.

If it is established that the Insured Person were careless in providing the information relied upon in accepting the Insurance and setting its terms and premium, the Underwriters will: -

- Treat the Insurance as if it had never existed and refuse to pay all claims and return the premium paid. This will only happen if the Underwriters provided insurance cover which would not otherwise have been offered, or
- Amend the terms of the Insurance (which may include charging more for this Insurance). The Underwriters will apply these amended terms as if they were already in place if a claim has been adversely impacted by the Insured Person's carelessness, or
- Reduce the amount the Underwriters pay on a claim in the proportion the premium paid bears to the premium which the Underwriters would have charged.

The Underwriters or Westfield Sub Aqua & Marine Insurance Services Limited will write to the Insured Person if any of these actions are taken.

Reasonable Precautions

The Insured Person is required to take all reasonable precautions to protect himself, safeguard his property and keep such property in good repair as though he is uninsured.

Subrogation

The Underwriters shall be subrogated to all the Insured Person's rights of recovery against any person or organisation for any claim paid or payable under this Certificate up to the limit of the Underwriters' liability in respect of such claim. The Insured Person shall, wherever possible, give all such information and assistance as the Underwriters may require to secure such rights.

Non Payment Of Premium

If the premium has not been paid to Westfield Sub Aqua & Marine Insurance Services Limited within the payment terms agreed between the Insured Person and Westfield Sub Aqua & Marine Insurance Services Limited, then the Underwriters reserve the right to cancel the Insurance from inception as though cover was not taken up. The Underwriters or Westfield Sub Aqua & Marine Insurance Services Limited will write to the Insured Person if this action is taken.

This does not affect your statutory rights.

Amendments to the Certificate

Should the Insured Person wish to amend the Insurance, notification of such amendment should be given to Westfield Sub Aqua & Marine Insurance Services Limited.
